Dear Mr. Brumfield:

Each year the Property Valuation Training and Procedures Commission (PVC) reviews the progress of county assessors' offices in complying with standards established by the PVC. At our meeting on November 19, 2014, the PVC reviewed the county monitoring reports for Tax Year 2014.

At that meeting, we were advised that your office is in compliance with all areas that were reviewed. You and your office personnel are to be commended. Therefore, on behalf of the members of the PVC, I wish to congratulate you on a job well done.

Sincerely,
